Pantone names Ultra Violet as color of the year for 2018

Every year, "Pantone" the Color Institute research and analyses design, fashion, art, film, food and entertainment as well as materials, travel, sports and technology, will summarize for color of the year. This year, it is Pantone 18-3838, also known as ultra violet, is selected as color of the year.

Pantone describes ultra violet as a "provocative and thoughtful purple shade" that embodies individuality and spirituality. Leatrice Eiseman, the executive director of the institute, said: "We are living in a time that requires inventiveness and imagination. It is this kind of creative inspiration that is imaginative to Pantone 18-3838 ultra violet, a blue-based purple that takes our awareness and potential to a higher level". See a few of Pantone's suggested palettes for the hue below.
